

FRIENDS OF MILO'S,

We understand the seriousness surrounding the Coronavirus and we want to assure you that we have updated procedures and protocols to keep a safe and healthy environment for our team and our guests. At this time, we are drive-thru only and hours have been adjusted at all locations. See the website locations page for details on your store.

We are carefully watching updates within each of our communities and seeking ways to come together to help those in need. We are Alabama Strong!

Each week we identify groups in need of help and find ways to serve them. We have currently served over 1,000 meals to the school systems in our areas to help feed kids who rely on the schools meals. We have also begun to serve those on the front line – our nurses, doctors, and hospital staff – who have been working tirelessly to help fight this virus. We will continue to serve those with the greatest need throughout this process.

The authorities and trusted professionals are our guiding beacon during these uncharted times. We are carefully watching and evaluating daily and we will keep you posted as things change.

It is our honor and privilege to serve you, particularly during challenging times, and we thank you for your trust.

Sincerely,

TOM DEKLE
CEO Milo's Restaurants
